

Allan Petrie has recently received a lot of complaints about the state of street signs locally. The example (right) from Kemnay

Gardens is sadly similar to many signs in the Douglas area - very worn and difficult to read. The FOCUS Team has reported this example along with a number of others to Dundee City Council's Planning and Transportation Department. Other examples (below) include a broken and neglected sign at Margaret Crescent and the Mauchline Avenue sign that is no longer readable. Allan will update you on progress about getting street signs sorted locally in the next edition of FOCUS.

Weeds in Gotterstone Drive ... Allan has received complaints from residents about the extent of weeds growing at the side of a number of local roads - the FOCUS Team has reported the problem (pictured right) in Gotterstone Drive. Also in this area, the FOCUS Team has raised the problem about potholes on the roadway near the Mintlaw Park/Gotterstone Drive junction.

Other local news from Allan Petrie and the LibDems ...

• **RAILINGS IN CRAIGIEBANK** - The FOCUS Team has asked the Housing Department of Dundee City Council to repair its damaged railings at the Gannochie Terrace/Noran Avenue junction (see Allan pictured here - left).

• **BOLLARD IN BALUNIE AVENUE** - The bollard near the junction with Balunie Place is broken- see right - FOCUS has reported this to the City Council. We have also reported residents' complaints about potholes in the roadway at Balunie Avenue's junction with Baldovie Gardens.

• **CARLOCHIE PLACE** - Allan has also received complaints about potholes in the road in Carlochie Place at its southern junction with Craigie Avenue and the FOCUS Team has brought this to the attention of the City Council.
