SPECIAL DOUGLAS AND CRAIGIE AREA EDITION ** EDITION 2
*From Allan Petrie and the local Liberal Democrats * December 2006 **

Massive Response! Allan Petrie would like to thank all residents who responded to the first edition of FOCUS issued recently. This special edition gives updates on a few of the Craigie and Douglas area issues raised.

If you wish to raise any local issue with Allan, you can drop Allan a note at Allan Petrie, Dundee Liberal Democrats, Freepost SCO3668, Dundee, DD4 7ZR (no stamp necessary) or e-mail Allan at allan.petrie@dundeelibdems.org.uk.

Street Signs ... In the first edition of FOCUS, Allan pointed out the number of damaged or worn street signs in our area. Specifically, he mentioned the badly worn street sign at Kemnay Gardens, pictured right. We're pleased to say that after the FOCUS Team contacted the Council about this, we received a promise that this sign would be replaced.

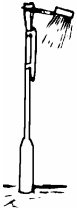

Potholes in Douglas ... Allan has received complaints from a number of residents in Douglas about potholes in various parts of the Douglas area. In the last FOCUS, Allan raised complaints about potholes in the roadway at Balunie Avenue's junction with Baldovie Gardens. The FOCUS Team has taken up all complaints with the City Council and if you have any particular complaints about potholes in roadways near your home, please let Allan know by completing the survey overleaf.

Graffiti issues ... You will recall from the first edition of FOCUS that Allan a number of graffiti issues. One of them was at the Huntly Place shops (see picture of Allan at the shops - right).

FOCUS received word back from the City Council's Economic Development Department that, following the refurbishment of the shops, the department had agreed to apply an anti-graffiti repellent to the walls to make the removal of graffiti a lot easier in future.
