SPECIAL PITKERRO, HAPPYHILLOCK & DOUGLAS EDITION ** EDITION 2
*From Allan Petrie and the local Liberal Democrats * October 2006 **

Massive Response! Allan Petrie would like to thank all residents who responded to the first edition of FOCUS issued recently. This special edition gives updates on a few of the Pitkerro, Douglas and Happyhillock issues raised.

If you wish to raise any local issue with Allan, you can drop Allan a note at Allan Petrie, Dundee Liberal Democrats, Freepost SCO3668, Dundee, DD4 7ZR (no stamp necessary) or e-mail Allan at allan.petrie@dundeelibdems.org.uk.

Street Signs ... In the first edition of FOCUS, Allan pointed out the number of damaged or worn street signs in our area.

Specifically, he mentioned the badly worn street sign at Kemnay Gardens, pictured right. We're pleased to say that after the FOCUS Team contacted the Council about this, we received a promise that this sign would be replaced.

Dropped Kerbs in Happyhillock ... A disabled resident in the Happyhillock area has pointed out the difficulties facing him negotiating local pavements in his electric scooter, given the lack of dropped kerbs in a number of local streets. FOCUS has contacted the City Council's Planning & Transportation Department about this and has had an assurance that the matter is being looked into.

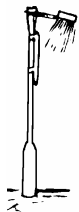

ALLOWAY TERRACE ... You will recall from the first edition of FOCUS that Allan raised residents' concerns about the mess caused by a damaged wall in Alloway Terrace (see picture left). FOCUS contacted the Council about this. We are pleased to report that the mess has since been cleared up.
