

Housing Department - New Letting Policy

Our new Letting Policy will be launched on Monday 1 March 2010

The main changes are:

- Applicants will be divided into four groups - homeless, general needs, redevelopment and choice. Lets will be shared among each of the groups
- Points will be awarded according to the applicants' needs. Where more than one need is identified (for example the applicant is overcrowded and has a medical priority) points can be added together to give an overall total
- Waiting time points will no longer exist but, applicants length of time on the waiting list will be taken into account
- All applicants will be entitled to three offers of suitable housing
- The size of accommodation we offer you will depend on the size and needs of your household

A Letting Policy summary leaflet is available to pick up from any housing office or can be downloaded from our website www.dundee.gov.uk.
